TERMS AND CONDITIONS

KTM will offer spare parts supply (**from model year 2017**) as well as technical and organisational support for all KTM riders participating in the ISDE 2016.

For this service an additional registration fee of 98,- EUROS (excl. VAT) will be charged.

Importer guarantee

With an importer guarantee, the rider can take advantage of a cashless spare parts service without payment on the spot. For that, KTM needs to receive a written confirmation (see order form attached) from the dealer/importer guaranteeing to cover the costs!

All spare parts will be recorded on a “material card” and settled with the dealer/importer after the event. If the rider or support team cannot present this confirmation from the KTM dealer/importer, spare parts cannot be obtained! A cash sale will also be available!

Please inform your riders clearly about this condition!

KTM Spare Parts will be available at the KTM Support Team in the Six Days paddock.
